

Derbyshire Tiling Specialists

West Point, 22 Brook St
Derby DE1 3TE
United Kingdom

Phone: 01332 529590

We are a local tiling business serving Derby and the surrounding areas. We install all types of bathroom, kitchen, floor, and hallway tiles, as well as feature walls. This can include porcelain, ceramic, LVT, and even shower panels. We can also fit wet rooms and underfloor heating, as well as repair or replace broken tiles. Our professional grout cleaning will freshen up dirty grout, after which we can seal it to improve the longevity of its clean, new look. Call us today for a no-obligation tiling
