98 William Street
Bishop Auckland, County Durham DL14 8RJ
United Kingdom

Phone: 01388 326 039

National Roofing Contractors Ltd offers a comprehensive range of expert roofing services across Bishop Auckland and Gateshead, Whitley Bay, South Shields, North Shields, Newcastle Upon Tyne, Prudhoe, Washington, Sunderland, Seaham, Ashington, Birtley, Chester Le Street, Hexham, Tynemouth, and the North East. From flat roofs and pitched roofs to full re-roofs and roof repairs, our team of experienced, certified professionals manages every aspect of the job with precision and care. We ensure the use of high-quality materials, rigorous workmanship, and compliance with all relevant building regulations at every stage of the

project. Customer satisfaction is at the heart of what we do. At National Roofing

Contractors Ltd, we work closely with homeowners, commercial clients, and property managers to understand their specific needs, tailor our solutions accordingly, and deliver projects on time and within budget. We pride ourselves on transparent communication, detailed estimates, and maintaining clean and safe sites throughout the work. Safety and durability are the cornerstones of our operations. Our technicians are trained in the latest safety protocols and use industry-leading tools and equipment. Warranties and quality assurance measures back every roof we install or repair, giving clients peace of mind that their investment is protected for years to come.
